A Good Roads Champton

My dear Mr. Ligon: Some time ago you will reca an article signed by yourse! in which it seemed you used machine gun and took a cracl at Contractor, Priest, Editor Banker and several Farmers replying to an article on cost o improved roads in our countywith the questions asked-Whether they paid, and Wha shall we do? In defense of the contracto

I want to say that I am no than to say that I want it done quickest possible way to get educational progress in our county depends upon the high-

Bad highways-mud or deep sand roads-spell backward ness Good highwars mak certain the advancement of re ligion, education and wealth.

Bad highways will drive me and women from the farms int number of food producers an increasing the number mouths to be fed from a stead ly diminishing foed supply. That road leads straight to an archy and Bolshevism, for decreasing food supply and in creasing congestion in popula tion breeds discontent, povert

and ultimately anarchy. The good highway is th way to better schools, bette religious activities in church es, better dwellings, and the tentment on the farms, larger food production, with more profit justly earned by the

ed roads

Let's have a map of the coun roads to be improved, make and intelligent estimate of the cost and then decide the matter b
